### **UPCOMING JOINT LAUNCH OF THE 2025 FINANCIAL STABILITY REPORT: SAFEGUARDING FINANCIAL STABILITY IN A CHANGING GLOBAL LANDSCAPE**

---

1. The Bank of Namibia and the Namibia Financial Institutions Supervisory Authority (NAMFISA) will jointly launch the annual 2025 Financial Stability Report (FSR) on **Thursday, 24 April 2025**. Issued under the theme “Safeguarding Financial Stability in a Changing Global Landscape,” the 2025 FSR will provide a comprehensive assessment of risks and vulnerabilities in the Namibian financial system and evaluate its resilience to domestic and global shocks.
2. The report outlines trends in the financial soundness indicators for domestic banking institutions, stress test simulations, and developments in the NBFIs sector. In addition, the report analyses developments in the payment infrastructure and regulatory developments and concludes with macroprudential surveillance.
3. The release of the FSR reinforces the commitment of the Bank and NAMFISA to safeguarding the integrity and stability of Namibia’s financial system, ensuring transparency, and enhancing public trust in financial oversight. It also serves as a call to action for industry participants to remain vigilant and responsive to emerging risks, and for consumers to stay informed and cautious in an increasingly complex financial landscape.
4. The official launch event will be streamed live on the Facebook pages of both the Bank of Namibia and NAMFISA, and the public is strongly encouraged to tune in and

follow the proceedings. Following the launch, the full report will be made available on the official websites of both institutions.
