2. Please note that the Commission has approved the proposed merger with conditions.
3. The conditional approval of the proposed merger is subject to the conditions listed below:
 - the merger should allow for local participation in accordance with section 2(f) of the Competition Act, 2003, in order to promote a greater spread of ownership, in particular to increase ownership stakes of historically disadvantaged persons.
 - there should be no employment loses as a result of the merger.
 - the merger should not create harmful effects on competition that may give rise to risk of market becoming foreclosed to competitors, especially SMEs.
 - that this being a retail business transaction, the approval of the Minister of Trade and Industry is required in terms of Section 3(4) of the Foreign Investment Act, 1990 (Act No. 27 of 1990).

 - The merger should not affect negatively the ability of small undertakings in Namibia to compete in the local market, nor should it lead to foreclosure of these undertakings.
5. The Commission has the authority in terms of section 48(i) of the Act to revoke a decision approving the implementation of a proposed merger if -
 - (a) *the decision was based on materially incorrect or misleading information for which a party to the merger is responsible; or*
